## **Applying for a Grant**

### **The Trust**

The Trust has been established to make grants in support of activities which promote the welfare and advance the education and training of young people.

The Trust shall seek to encourage the holding of activities of training value, including outings, expeditions or visits both in the UK and abroad by the 24<sup>th</sup> Glasgow (Bearsden) Scout Group. To the extent that the 24<sup>th</sup> does not fully utilise the funding available the Trust will similarly encourage the holding of such activities by other Scout Groups or by units of other voluntary organisations so long as the activities of such organisations are charitable in law.

The Trust will, where appropriate, provide financial support to any voluntary organisation for young people to enable it to extend, in a beneficial way, the normal programme of activities offered to its members. The Trust may, at its discretion, provide support to individuals within such an organisation for training or personal development if it can be demonstrated that this will be of direct benefit to young people within the organisation.

### **The applicant**

You will be a Scout Group, a section of a Scout Group or the equivalent in a voluntary organisation which directly seeks to improve the welfare of young people through the provision of training and/or education. You may be a local group or part of a National Organisation but not a Scout District, Scout Region or equivalent in other similar organisations.

or

You will be an individual member of such an organisation wishing to take part in an activity which will develop you and as a result of which you gain new skills which you will then use for the benefit of young people within your organisation.

### **Are you eligible for a Grant?**

A grant application will not normally be successful unless you can demonstrate that the activity in question is not part of your routine weekly/regular meetings or that the costs involved are not part of routine expenditure.

The Grant must be used at a local level within your organisation. Funding from the Trust will not be available for use by, for example, Scout Groups to finance the organisation of or participation in Jamborees, National, Regional or District events.

Nor will Grants be available for capital expenditure on Buildings, Fixtures & Fittings or Motor Vehicles.

The amount of Grant available will be at the discretion of the Trustees and normally will not exceed £3,000.

## **Informal enquiries**

If you have not already contacted the Trust and discussed your intentions when obtaining this form and you wish to discuss your proposed application informally first please contact Colin Scott, the Trust Secretary, at 0141 942 3656.

## **The application**

Please complete the application form as fully as possible. Attachments may be enclosed if there is insufficient space on the form for your proposals. Additional information may be requested from you prior to the Trustees considering your application or you may be invited to make a presentation to them in its support. The person signing the application is also asked to confirm that activities will be carried out under the supervision of suitably qualified persons and that insurance cover is in place where appropriate.

The Trustees meet approximately four times per annum. Applications should be submitted well in advance and certainly not less than 14 days before the date of your activity. Completed forms should be countersigned by a senior office bearer of your organisation e.g. Chairperson, Group Scout Leader, Captain, Treasurer or Secretary before being returned to the Trust Secretary at 57 Montrose Drive, Bearsden, Glasgow G61 3LF. The Trust Secretary, after an initial review of the application, will acknowledge receipt and advise the date of the next meeting of the Trustees at which the application will be considered. The result of the application will be advised as soon as possible thereafter.

## **Post event report**

Following completion of the event/activity the Trustees expect to receive a brief report on the outcome, the extent of participation etc. The Trustees may wish to use for publicity purposes e.g. website, newsletter, any photographs contained within post event reports and therefore unless advised to the contrary they shall assume that there is no restriction on the use of such photographs and that parental consent has been given. If the level of participation is less than expected or costs incurred fall short of budget or the event does not take place the Trustees, at their discretion, may request a refund of the grant awarded either in whole or in part.
